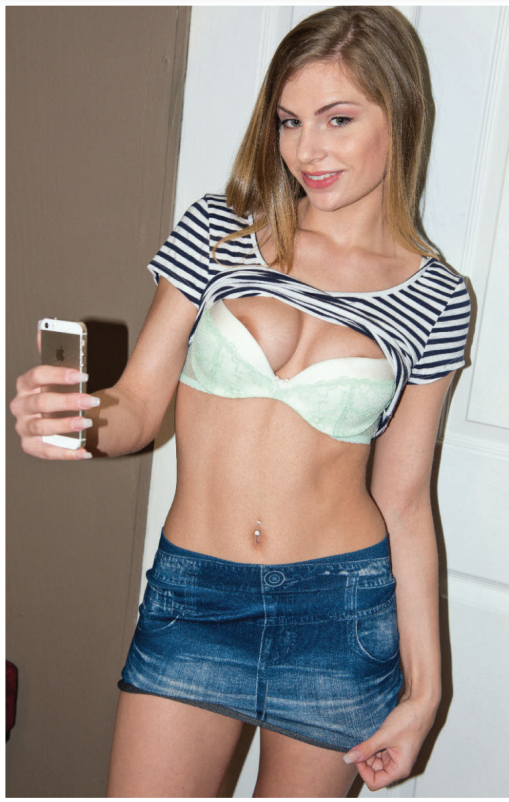
Sydney

Age: 19 Born: Nov. 2 Ht: 5′2″ Wt: 105 lbs. Bras: 32B
Panties: Thongs Anal: Not really BJs: Depends on the taste

San Francisco, California Student



“My fuck buddy was making fun of me for taking selfies,” Sydney told us. “He told me that if I wanted pictures taken of myself, he would do it. I told him that’s not the point. He doesn’t get it. He’s a lot older than me and sometimes he’s a little out of the loop! I didn’t tell him that I was taking selfies to post on Grinder. He wouldn’t have gotten jealous, though. We have an arrangement.”

"I think my ass is
my best asset."

“Obviously I did let him start taking pictures of me! This was actually the first time I ever let anybody shoot naked pictures of me. I wasn’t nervous, though. Why would I be? I didn’t think he was going to submit them to a magazine! Anyway, I really thought the experience was hot. I’m not sure I’d do it again, but it’s kind of an adventure. What else are your teen years for if not for doing crazy, stupid shit? That’s why I don’t have a permanent boyfriend right now. I’m enjoying sleeping around.”

“We had a pretty hot fuck session after we took these pictures. I couldn’t help myself. I was so turned on, especially because I fingered myself to an orgasm, which is rare. I generally have to really work and have lots of stimulation from toys in order to make myself cum. I also use the showerhead on my clit, which feels fucking amazing. As a matter of fact, I made my fuck buddy go out and buy a top-of-the-line head so that when we fuck in his shower, I can place that on my clit and have multiple orgasms. He doesn’t mind the warm water on his balls, either.”

Reader Confessions

Two readers share their wildest, craziest and sexiest blowjob stories with the world. Unzip and enjoy!

ARTISTRY OF THE BLOWJOB

Dear Newcummers,

I met my girlfriend Anna when we were in our last year at college. She was in an art program and I was dating a different girl who shared a class with her. I'd drop into their class because they would just be painting and the professors didn't care. Well, like anybody who has ever gone to college can tell you, 20-year-olds will find any excuse to fuck. I used to take my girlfriend into the huge supply closet, bend her over a pottery rack and fuck the shit out of her. It was pretty great. Unfortunately, she was a huge fucking bitch. We would fight like cats and dogs almost every day.

One morning in Spring semester, we got into one of those huge blowups. We were basically screaming at each other over breakfast in the cafeteria. We separated for the day to calm down, but I was fucking livid and no amount of time was going to calm me down. I stormed off that afternoon to find her in her painting class. When I got there, there was a note taped to the door saying that class was cancelled that day. I peered through the window in the door and saw Anna...topless. I had never spoken to her before, but I'd seen her in the class before and noticed how hot she was. She's tall, about 5'10", skinny and has a wild head of reddish and brown hair. And she was topless. Did I mention that? She had a rag in her hands and she was rubbing what looked like a crumpled up shirt. I'm so happy that I didn't do what any decent guy should have done and walked away.

Those artsy girls have the tricks.

> "...NIPPLES AS ERECT AS THE TENT-POLE IN MY JOCKEYS."

Instead, like the horny fucking bastard I was, I walked into the class.

Anna was, to say the least, embarrassed. She took one look at me standing in the doorway, dropped her rag and her shirt and took cover behind an easel. She told me that she dropped her paint palette onto her shirt and since she was alone, she figured she'd take it off and try to get the stains out before they set. I picked up her shirt on my walk over to her hiding place. I handed it to her and told her she didn't have anything to be sorry about, she had an amazing body. Her pert, little B-cup tits were a stark contrast to my girlfriend's big D-cups, but in a good way. I'd never actually been with a girl with a small chest. I wanted to squeeze and tweak her nipples so bad that it fucking hurt me. My cock was as hard as a roll of quarters and it was showing through my jeans. She noticed, laughing a little bit and tossed her hair. She was staring at my dick as hard as I was bearing down onto her tits. She walked out from behind the easel, shrugging a bit. I told her that I had gotten into a fight with my girl and I was looking for her. She told me that she really didn't care. I thought she meant that she just wanted me out of there, but she started to saunter towards me slowly, sensually and deliberately.

Guys, I'm sure you're not going to believe this, but I swear, shit went down like it was a fucking porno. She pressed her body up against mine. Her wide hips, hidden

Cassidy

Age: 20 Born: Oct. 10 Ht: 5'5" Wt: 119 lbs. Bras: 32B
Panties: Usually thongs Anal: Fingers only! BJs: Swallow
Panama City, Florida Lifeguard

"This time I dressed up for you guys."

"I sent some photos in to you guys a while back and you said you could use them," Cassidy wrote to us via email. We used those photos she's referring to in *Naughty Neighbors* May '15. "I wasn't planning on sending in any more pictures, but as soon as I heard back from you guys that you were using me in your mag, my pussy got so wet it was ridiculous. I knew that I had to send more in."

We were thrilled to see more of the lovely Cassidy, so we arranged for her to take a little trip down here to Miami. While she was here, we convinced her to shoot some scenes for us. One of those scenes is featured in this issue's video pick *The Sex Tutor*. We paired her with two hot MILFs and another young girl. It was her first time eating pussy and she couldn't stop raving about the whole experience. In fact, hearing her talk about it was almost hotter than seeing it happen! Well, almost!

“I wasn’t sure what to expect,” Cassidy told us about her first bisexual experiment on-camera. “I know that my pussy tastes good because guys have told me that before. I’ve also tasted myself on my fingers and stuff. But I was nervous about going down on another girl. I shouldn’t have been! It was awesome! It was weird when I was the one eating out the other girls, but when it was my turn to receive, I couldn’t believe how much better women are than men at doing that! They knew exactly what to do to make me cum!”

Adrianna

Age: 18 Born: Nov. 25 Ht: 5'6" Wt: 140 lbs. Bras: 36C
Panties: Anything Anal: Sometimes BJs: Swallow
Auckland, New Zealand **Athletic instructor**

“My dad put me in all of these intense training classes when I was just a kid,” Adrianna told us. “He pretty much raised me as a boy. I took Jiu Jitsu and Muay Thai training for years. I think he worried about my safety around boys. He didn’t realize that as I got older, I started fooling around with all the guys in my classes. It’s really competitive and there aren’t a lot of girls. I was popular before I started putting out, but now it’s out of control!”

“Getting on the mat with a boy you’ve been with is very strange. On one hand, my feminine instincts tell me to lose so he’ll feel better about himself. On the other hand, fuck that! I want to kick ass! Fighting with your partner in a controlled way makes sex so much better. You learn how to read a guy’s body and eventually you can predict his moves and react to them. It can also get rough! That makes it hotter.”

"Fucking and fighting have a lot in common. They're both intensely physical."

BABE THE BIG B

SIMONE SUTTON, ENGLAND AGE 28

“I’ve been growing out my bush for three months,” Simone told us. “My fiancee told me that he wanted to see me with pubes. At first I was thinking I’d grow out a little strip or something, but he seemed disappointed by it. I couldn’t understand why he didn’t seem to enjoy licking me or fingering me. Then I was, well, I was snooping around on his computer. I found his porn stash and it was filled with pictures of huge fucking bushes. I decided to just let my hair go. As it grew longer, he seemed happier.”

“It’s taken a long time to get used to having full knickers! I’m sure you’ve noticed that my pubes have started to…crawl a little bit. It goes up to my navel. I’ve got a little bit of an obsession with midriff-baring shirts. For the first month or two of having visible hair, I wouldn’t wear anything that exposed it. Then, as I got more and more comfortable with having such a big bush and my boyfriend got happier and hornier around me, I just realized that I didn’t care what other people thought. It’s fun to challenge people’s expectations. I catch guys staring at my belly hair when they see it in public. Some look disgusted, but others get that really turned-on look on their faces. It’s nice to see.”

“I’m now getting my pussy licked out almost every day. My fiancee is happier than a midget at a mini-skirt convention! We just got engaged and we couldn’t be more excited. We can’t afford a ring just yet, though. That’s one of the reasons we sent in these photos to your mag. If we can sell some more pictures in the future, we can get rings. That’s what would make me happy!”

Shyla

Age: 19 Born: Feb. 16 Ht: 5'4" Wt: 126 lbs. Bras: 34A
Panties: Cotton Anal: Licking BJs: Swallow

Missoula, Montana **Smoothie maker**

"The girls I go to school with are so dumb," Shyla told us when she sent in these pictures. "They think they're cool 'cause they fuck their little boyfriends who cum in two seconds. They don't know what real dick is. I'm getting real dick from my best friend's dad. Of course, she doesn't know, and all the sneaking around makes me even hotter. I let him take pictures of me when I suck his cock and I showed them to some girls at school. They were shocked that I could take something so big all the way down. I told them he was my boyfriend from another school, so they don't suspect a thing. He wouldn't let me send these pictures in to you."

“I’m working my way up to a super hard fucking. Because my guy is so big, it starts to wear on my pussy a little bit. Whe we first started fooling around, I’d have to stop after five minutes or so and just give him a hand-job or a blowjob. Now I can go for ten or fifteen minutes before he starts to really stretch me out. Luckily because I’m so tight he usually busts his nut before that. I can’t even imagine doing anal with him. I think he’d destroy me! I do enjoy licking and fingering, though. Maybe one day we’ll try just the tip.”

"My guy tells me that I'm so tight he can't last long."

Lily

Age: 20 Born: Dec. 20 Ht: 5'4" Wt: 135 lbs. Bras: 34D
Panties: Thongs Anal: Nope BJs: Swallow
Gulf Shores, Alabama Nanny

Lily actually just quit her job as a nanny. She was working abroad in Germany, but she missed the United States. "Germany is really cool and there's a wild streak there that you don't really find in Alabama. They're much more open sexually, but I kind of missed being around my group of friends. I'm from the South and I love having bonfires and going four-wheeling and stuff. Still, I had a great time fooling around with the European men."

“I didn’t really date that much when I was in Germany. I would hook up with a couple of guys and they’d take me around to places and share me with their friends. It was really fun being a party favor of sorts. We went to a swingers club a couple of times, too. One night when we went they were having gangbang night. That was incredible. I lost count of how many men I was with. I couldn’t walk right for, like, a week or two after that!”

“Even though I don’t enjoy anal as much as vaginal, it’s pretty fun to experiment with every once in a blue moon. For instance, when I’m really horny I’ll ask guys to lick my asshole. I don’t like it when the tongue goes inside of me, but when it traces the outside of the hole it drives me wild. I had one guy finger me, rub my clit and lick my butt all at once in doggie-style. I came so hard from that. Then he went right to fucking me. It was great.”

"You can lick my ass, but don't finger it!"

Darcie

Age: 19 Born: Aug. 28 Ht: 5'4" Wt: 117 lbs. Bras: 34C
Panties: Rarely wear 'em Anal: Nah BJs: Cum on my tits
Ogden, Utah **Sushi restaurant server**

Darcie isn't the usual girl we get here at *Newcummers*. First of all, she's from Utah, a place that isn't exactly friendly to the kinds of sexually liberated girls who will accept an invitation to Miami to fuck on-camera. Then again, sometimes the highest quality cunts come from the most unusual places. "I like living in Utah because it's beautiful, but I sort of have to hide who I am to everyone I know," Darcie told us. "People look down on premarital sex, even if people have been dating for years. It's crazy. I can't live like that."

Darcie's got one of the smoothest pussies and pinkest buttholes we've ever seen here at *Newcummers*. We don't know if it's something up there in Utah or if she was just born with it, but we couldn't stop staring. "I've been told by a couple of guys that they love how smooth I am down there. I shave every morning in the shower, whether I need to or not. I also get waxed before I go on dates or whatever. I have to drive forever to find a place, though."

"Riding on top gives me the biggest orgasms."

“Ever since I got my own apartment I’ve been experimenting more and more. I tried anal with a guy, but it wasn’t for me. It was a rush to try something that I grew up thinking was, like, a terrible thing to do. And now I just shot my first porno with you guys! This is so crazy, I can’t believe I’m doing this. My friends and family would freak out if they knew.”

Darcie
SUMMER 2015

“Your stud really fucked me good. I know for a fact that he’s the biggest man I’ve ever been with. I was actually pretty surprised that size makes that big of a difference. I grew up thinking that it wouldn’t matter if the guy was big or small because it was all about the connection you have with the person. Fuck that! A huge cock feels so much better. I mean, it’s not like sex doesn’t feel good with a guy with a small dick, but it’s not nearly as intense as it is with a huge dick. I felt so stretched, so filled. I could have cum on his dick three or four times, but I decided to hold off until the very end. It’s more powerful that way.”

Fabiana

Age: 23 Born: Aug. 6 Ht: 5′6″ Wt: 111 lbs. Bras: 34B

Kiev, Ukraine Office worker

Guys, meet Fabiana. Fabiana doesn't speak a lick of English. Her boyfriend, an Australian bloke, met her when he was transferred to Ukraine for a five-year post. He's an avid reader of SCORE magazines and he decided to send in her pictures. When he told her that we wanted to print them, she was ecstatic. He translated for her. "I can't believe you want to see me," she told us. "I never thought of myself as a model. I like that people from all around the world are going to be masturbating to me. I hope I represent Ukraine well!"

We think Fabiana represents Ukraine very well. We love when we can tell a girl's personality just by looking at her pictures. Fabiana looks like fun. "When I first started dating my boyfriend I thought it was just for fun. I didn't realize he was falling in love with me! But he's the best sex I've ever had, so why not go with it? It was the best decision I've ever made. It's interesting how people from different countries all have different styles of making love. I had never done a 69 position before we started dating. I had never had my ass licked, either. Now I love both of those things!"

"I enjoy exploring new sex positions and moves."

Chloe

Age: 31 Born: Oct. 14 Ht: 5'4" Wt: 100 lbs. Bras: 34A
Panties: Usually none Anal: Yes BJs: Swallow
Washington, DC Government clerk

Chloe loves getting wild with all of the minor political celebrities in Washington. "I've fooled around in places where I don't think anybody but senators and their mistresses have ever done anything. It's really hot to be somewhere so restricted and off-limits and fooling around, giving a blowjob or something. I once jerked a guy off through his khakis while we were on a private tour of the capitol building. I made him cum in his pants while he pretended to be looking at art."

“I love using my vibrator,” Chloe told us. “It gives me such strong orgasms. I even use it when I have sex. If the guy is cool with it, and a lot of guys aren’t for some reason, I’ll pull out my toy and place it on my clit when he’s fucking me. That feels incredible! I’ve heard from guys that it will tickle their cock, too. Sometimes when I’m feeling really naughty I’ll slip it under a guy’s sack and let it vibrate his taint. Every time I’ve done that the guy will bust his nut shortly after.”

behind tight jeans and a half apron, were grinding into my cock. My hands instinctively shot up to her perfect handful-boobs. Her nipples were as erect as the tent-pole in my jockeys and she let out a loud moan as I tweaked them between my thumbs and pointer fingers. She undid my shirt and kissed me down my chest, resting her head at the bottom right next to my belt buckle. I'll never fucking forget how she looked up at me and said, "You're mad at her. Let's make her mad at you." Then she quickly unzipped me, took my sword out and licked me down the length of my shaft. She tongued my mushroom head, letting

a long line of spit and precum mix while she withdrew her head a foot or so from me before opening her mouth wide, slamming her head forward and taking the entirety of me through her lips and into her throat. Guys, I'd like to say that I acted like a champ, got some killer head and then fucked her until we both came. I'd love to say that, but it's not what happened. I came. I came really fucking hard really fucking quickly. I took her by surprise, jizzing after only a few seconds. She was deep throating me at the time and looking into my eyes. Her pupils went wide for a second when she realized what was happening, but she quickly relaxed and started to moan as I pumped the entirety of my balls directly down her

Panties: Fullbacks Anal: Licking BJs: Spit

Miami, Florida **Yoga instructor**

Malyca teaches yoga classes down here in Miami. She's a free spirited feminist who does whatever she wants. You might think that's a recipe for a stuck-up bitch who doesn't know how to please a man, but you'd be wrong. "I think that being an empowered female means that you please your man, or men if you have more than one. Part of feeling empowered is feeling feminine. Part of that comes from being able to embrace your sexual feelings."

“I get off on submitting to men and letting them get rough and powerful with me. I also get off on turning the tables and dominating a man. I’m not talking about putting on a strap-on and going to town on his butt, but I’d do that if a guy wanted me to. I’m talking about tying him down and riding him, or dressing up in a leather corset and stockings and giving him a little spanking. See, it’s all about giving your partner whatever they need to have the best orgasm of their life. If you do it for them, then they’ll do it for you. That’s empowering sex.”

Sherry

Age: 20 Born: Dec. 27 Ht: 5'2" Wt: 120 lbs. Bras: 34B
Panties: Hipsters Anal: Of course BJs: Swallow

Phoenix, Arizona Dancer

Sure, we get innocent girls who submit their pictures to our magazine. That's great. We love seeing an innocent, corruptible teen getting nude on-camera for her boyfriend. But you know what's better sometimes? Girls like Sherry. She's a bad girl and she knows it. "I started dancing on my 18th birthday because I've always been an entertainer. Plus, I love being naked and having all eyes on me. I know it's super dirty, but even the gross guys who look at me up on that pole, their stares make my pussy go into overdrive. I'm a natural showgirl. I love attention."

“The dirtiest thing anybody ever told me was when I was up on stage and I was spreading my ass cheeks to give everybody a good view of my starfish. This one guy, obviously drunk, bet his buddy that he could make me cum just by jamming his cock in my asshole. It was so rude. He was so loud, too. But you know what? It fucking wrecked me. I got so turned on. I went home that night and let my boyfriend fuck my ass. I told him to go as hard as he wanted. I never cum from anal, but that night I did.”

"I guess a dirty mouth can go a long way with me."

throat. Even after my cock finished having spasms and jerking, still swallowed and nestled past the tonsils of this topless artist, she kept on looking at me until I felt myself going soft in her warm, wet mouth. When I withdrew my dick, she sucked every inch clean of spit and jizz. My cock came out cleaner than when it went in!

I'd never experienced a blowjob like that before in my life. I've had a bunch since then, though. Anna and I talked dirty to each other for a little while that night and then I set off to break up with my girlfriend. I found her in her dorm room and after a few minutes, a lot

of tears and cursing, she was out of my life forever. I met back up with Anna and we've never been apart since. When you find a girl who can suck cock like she can, you hold onto her.–*B.C., San Antonio, Texas*

GLORYHOLE WIFE

Dear Newcummers,

Have you guys ever thought about doing a gloryhole special in your magazine? I'd love to see some amateur women put into a van, shuttled to a seedy book store and seated in front of a wall of cocks. I think other guys would like it, too. There's something so sexy about women who love cum so much they'll suck off anonymous dicks to get to it. I myself frequent gloryholes about once a

ANDA

EVERY CUNT IS DIFFERENT

Just like every face is different, every pussy has its own style. Some girls, like Anda from our January ’13 issue of Naughty Neighbors, prefer to keep their pussies all-natural. Their hair adds a bit of personality to their pussies, which is always nice. Then again, is there anything better than a nice, smooth, innie slit like Patritcy’s? Mimi’s repping the dark meat pussies and Lacey’s holding it down for the meaty, outie pussies!

CHRISSY

DARK OR LIGHT, GAPED OR TIGHT?

Chrissy's got dark, tightly cropped pubic hair. Dianne's got a light blonde bush. That's where the differences end, right? Wrong! Chrissy's pussy's natural state is nice and closed up, whereas Dianne's got a natural gaper. Now that doesn't mean that Dianne's pussy is loose. That just means that she's comfortable enough to let her hole go nice and wide to give us a view. Either way, we love both of these amateur cunts.

ELLIE

JUICY, CREAMY, HOT AND WET

While every girl is a little different in her panties, there's one thing that never changes. Every woman's cunt gets wet! Pepper told us that she has to pack extra thongs when she goes out on hot dates because she soaks through the first pair just from heavy flirting! Ellie's pussy is constantly wet. She makes sure to orgasm every morning and night to keep her pussy satisfied.

Waltham Cross, England **Waitress**

Tasha could be a world-class pornstar. Too bad you won't see her anywhere else. She's not that kind of girl. This is a one-off thing for her. How do we know? We spoke to her about her decision to send these photos in to us. She was second guessing herself the entire time. We decided to rush them to print, just in case she changed her mind. Does that make us assholes? Probably, but you get to jerk off to this shy, busty amateur, so don't point any fingers! Just enjoy what may be the only nudes ever taken of this busty Brit beauty.

"My ex was a proper twat who couldn't even keep a boner!"

“I’m not the good girl that everybody thinks I am,” Tasha told us. “But I’m not nearly as wild and crazy as my mates. These pictures were taken after a few drinks with my ex. I was so fuckin’ in love with him at the time. That was before I found out he was shagging half of London. Prick. He didn’t deserve to lick my shoes, let alone take these pictures! Anyway, I was going to delete them, but I’m out so much money because I’ve had to move, I figured I could make a few bucks from selling them to your company. Please don’t use my real name.”

month. I drive down south to meet up with authorized vendors for a week or so and then come back. Each way I stop in at this little video store right off of the highway. It's sort of hit-or-miss there. Sometimes I'll walk into a booth and there will be a feminine hand sticking through the hole, just waiting for my dick. Other times I'll sit there for half an hour before I decide to stop waiting and leave. I've worried about getting sucked off by guys once or twice, but whenever I've freaked out about that, I've just told the mouth on the other side to say something sexy and it's always been a woman's voice. I don't fuck around with dudes.

Slutty girls like seedy bathrooms.

My first time getting sucked off through a gloryhole was intense. I had just started my job and stress was killing me. What's better to relieve stress than having a jerk? Nothing! I pulled off of the highway and was planning to pick up a magazine before retiring to a park or alley and letting myself have it. When I pulled into the parking lot I noticed a pair of legs sticking out from under another car's open passenger side door. I walked closer and saw that there was a woman giving some lucky asshole a BJ right there in the parking lot! The guy saw me watching and told me that I could be next, but I'd have to go inside first. The woman looked behind her, saw me and turned up to the guy whom she had

previously been blowing. "He looks tasty, honey. I'm going to suck him dry," she told him before getting back to work on his dick. I liked the sound of that.

I walked into the place and immediately headed to the back of the store. I pulled back the curtains to one of the stalls and waited nervously for a minute or two. Then I heard the same woman's voice in the neighboring stall. Her dainty wrist came through the hole a moment later. I unzipped and handed her my half-hard dick. She gripped me and pulled me into the hole. Being my first time, I was praying that she didn't snip me in half with gardening shears or something. But instead of intense pain, I felt her mouth wrap around my Johnson. She started slowly but built up some speed. I had never had a girl suck me for longer than a couple of seconds before sex, so this was amazing for me.

After a couple of minutes, I felt the familiar sensation of a rubber rolling down onto my dick. I also overheard the woman speaking to the same man she had sucked off in the parking lot. "I'm going to fuck this stranger, Mike. Isn't your wife a slut? Is your whore wife cheating on you right in front of your fucking face?"

I wasn't about to get in the middle of a marital argument, so I just kept my mouth shut and let her guide my dick into her pussy. I could feel that she was in doggie-style position, taking my dick right into her snatch. Now it was my turn to set the speed, and I chose to jackhammer her as hard and as fast as I could through the wall. She started screaming and I could hear her gagging on the other side. My guess is that her husband got his cock hard again and was going to town on her slutty face. I felt my balls start to get tight and so I told her I was going to cum. She slid off of my dick and I felt her hands slide off the rubber and replace it with her lips. She was slurping the jizz right out of me. I have no idea where I came, but I'm willing to bet she jerked me off onto her face or her tits. She let go of me and I took a moment to catch my breath before pulling up my pants and heading out.

Anyway, I think that gloryhole adventures would be amazing to see in your magazine. There are freaky girls out there who do it for fun, so I'm sure you could find some of them.–*B.R.P., San Francisco, California* NC

Lizzy

Age: 19 Born: Dec. 12 Ht: 5'1" Wt: 97 lbs. Bras: 32B
Panties: Thongs Anal: Not yet BJs: Swallow
Covington, Kentucky Artist

Sweet 19-year-old Lizzy is from Kentucky. We've had a couple of girls from Kentucky over the years in our magazine and they all look young and they're all super horny. Maybe it's something in the water. Basically, they're the perfect candidates for a nice, hard porno fucking. "I'm trying really hard to become famous," Lizzy told us. "I want to be the next big thing. I haven't decided if I want to be an actor, a singer or a painter, but I want to eventually move to Hollywood, New York or Miami." We wish her luck!

We're not sure fucking in a porno magazine is the right way to become a super-star, but we weren't about to tell this newbie teen that! Girls like her are our bread and butter here at *Newcummers*. "I think shooting this will help my career. It will show people that I'm not afraid of anything! Anyway, I'm also doing it because I love sex. I always have. I can cum really easily. I find it sad when I talk to girls and they say that they have to work for an orgasm. I can grind my pussy on a chair and cum through my jeans! It's easy for me."

“I love the feeling of being stretched. I do a lot of yoga and I go to the gym every morning. That feeling that you get when your muscles are pulled, that really good tingling and burning sensation, is what my pussy feels like when a guy first thrusts into me. I can feel my pussy open up and take him all the way in. It’s painful, but in a really good way. It’s hard to explain, but that’s what I love about sex. Anyway, your stud really knows how to please a lady. He would fuck me really hard and fast, grabbing my hips and pulling me into him. He also slowed down and made it sensual.”

“The absolute best part of sex is looking at your partner’s face when they cum. I’ve been with women before and they look so beautiful when you feel their pussy start to pulse and gush. Their eyelids flutter and their moan is so soft and sensual. Men, on the other hand, are really aggressive right before they cum. Their whole body will tense up and you can see all of their muscles. I love being on my knees and watching a man start to spasm and shoot his jizz all over me. It’s so powerful and physical. It makes me really wet when I see that.”
